

Swissdis AG – Your partner for inductors!

For a long time now we have been successful distributor of inductors manufactured by Viking Tech.

In addition to diverse lines of inductors in the field of “Power Inductors”, we also offer the following SMD Chip Inductors:

www.swissdis.ch

AL-Serie	Thin Film Chip Inductor	High SRF, excellent Q
CMF-Serie	Thin Film Common Mode Filter	High speed differential data lines
CL-Serie	Multilayer Chip Inductor	For high frequency application up to 10GHz
ML-Serie	Multilayer Ferrite Chip Inductor	Suitable for high density installation
CBM-Serie	Multilayer Chip Bead	Effective EMI protection, low DC resistance
WL-Serie	Wire Wound Chip Inductor	High SRF, high Q, low profile, high current
NL-Serie	Wire Wound Ferrite Chip Inductor	High inductance in optimized package
CM-Serie	Chip Common Mode Filter	Highly effective in noise suppression

You can find a list of our products with the corresponding technical data sheets at our website swissdis.ch, under “Inductors”.
