

Swissdis AG – Your Partner for Ceramic Chip Capacitors

MLCCs are an important part of
our passive component sales line.

For as long as we have been in business,
we have successfully relied on these capacitors
and carry the following types in our warehouse:

NPO Dielectric / Tolerance 5%

X7R Dielectric / Tolerance 10%

X5R and X7R dielectrics with high capacitance values, as a replacement for tantalum capacitors

Swissdis usually has values in the E12 series in stock

DARFON

 **Viking**

are our two Taiwanese manufacturers and long-standing partners.

Please give us a call – we are happy to answer your questions.
